Waterville School District Test to Stay

A school district must adopt the DOH Test to Stay Program to allow close contacts to stay in school during their modified quarantine period. Prior to adopting this program, the school district must submit this document and receive approval from their local public health jurisdiction.

School/District: Waterville School District

COVID-19 Coordinator/Supervisor overseeing program: Tabatha Mires

Phone: 509-630-3063

Email: tmires@waterville.wednet.edu

I understand that in order to participate in DOH Test to Stay Program I must:

- Collect consent and registration forms from parent/guardian of students, and from any participating teachers or staff.
- Inform participants they must continue to mask with a well-fitting mask in school and any extracurricular activities.
- Perform testing at Waterville School, clinic, or other community testing site.
- Use the test specified by the school district (e.g., rapid antigen).
 - 2 times weekly/ athletics 3 times weekly
 - Rapid Antigen Testing/PCR confirmation tests
- Have a Certificate of Waiver MTS/CLIA license
- Report all test results, both positive and negative, to local public health jurisdiction within 24 hours of testing via Simple Reports
- Follow the DOH Test to Stay protocol. If testing is not conducted per this schedule, individuals must follow standard quarantine guidance.
- Correctly identify who can participate in the DOH Test to Stay Program.

Sincerely,

Tabatha Mires
Superintendent

James Wallace, MD, MPH
